

Tehnical Assistance In Curriculum Development

WTO Experts from the WTO Agriculture and Commodities Division presented class lectures for SQU Students registered in the courses “International Trade NREC 4410” and “Food Policy NREC 3102” during the 9th and 10th of Novembre 2016 . Ms Marie-Bel Marinez lectured on the “WTO and the Agreement on Agriculture” and Mrs Ulla Kask lectured on” Food Policies and the role of WTO”. The two WTO Experts helped in developing a new course on international trade offered for graduate students in the Department.
