

Joint UNCTAD- CAMS Workshop on date exports

Sultan Qaboos University,

Muscat Oman

March 19-21, 2018

The chair participated in the Joint UNCTAD-CAMS date export conference as a speaker on “export promotion policies and the World Trading System, organised at the College of Agriculture and Marine Sciences at Sultan Qaboos University . The conference was coordinated by Dr Msafiri Mbagu, who benefited from the WTO chair programme support funding to conduct a date market survey in GENEVA and initiate the organisation of this workshop. The workshop focused on what should be done to enhance the production, quality, and exports of Date in Oman, and learn from the experience of UNCTAD in conducting similar projects in other parts of the world. The workshop was attended by date farmers, processors, and exporters , academicians as well as students from Sultan Qaboos University. .
