

***Kathmandu University School of Management  
conducted a one day workshop on "Family Business  
Succession to Improve their Trade".***

**Published Date: 26 May, 2023**

On 26 May 2023, Kathmandu University School of Management, in joint collaboration with the Godavari Chamber of Commerce and Industries, conducted a one-day workshop on “Family Business Succession to Improve their Trade”. Representatives from 17 different companies participated in the workshop. The main objective of the workshop was to identify the challenges in succession planning and generation transfer and their overall effect on trade. The workshop was conducted through ERASMUS+ FAB Project and the WTO Chairs Program – Nepal.
